More inspiration from Belfast OSCAR. They had some spare picture frames, so decided to make this gorgeous tree with the children's thumb prints turned into birds.

Here are some other ideas as well.

Activities

Mixed up people!

This idea was shared with us at our latest Networking meeting by Faye from St Patricks After School porgramme.

You just need magazines , scissors, glue and paper. Also try creating a plant or an animal. Think about what they would eat, what is their natural environment

Cardboard Houses

An inspiration from our Networking hosts Belfast OSCAR. Make a house out of cardboard. Make furniture, decorate, you can use a whole pile of old decorating magazines
